REASONS FOR ALLOWANCE

The applicants filed a declaration on 08/30/2004 to antedate the reference of Koitabashi et al. (US 2002.002135 A1). As a result, the rejection based on the above reference is withdrawn.

The most pertinent references: Takanaka (US 6347855) and Miyake et al. (US 6520623).

The following is an examiner's statement of reasons for allowance:

Referring to claims 1 and 21: The primary reasons for the indication of the allowability of the claims is the inclusions therein, in combination as currently claimed, of the limitation that modifying the standard printmask by adjusting the amount of ink deposited by the selected adjacent ink ejection elements to create a modified printmask, wherein the printing system is using a single pass over the recording medium is neither disclosed nor taught by the cited prior art of record, alone or in combination.

Claims 2-20 are allowed because they depend directly/indirectly on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LAM S NGUYEN whose telephone number is (571)272-2151. The examiner can normally be reached on 7:00AM - 3:30PM.
